

## **Eastview Community Foundation 2015 Grant Recipients**

### **Diamond Path Elementary: Listening Centers (\$1,400)**

*Angela Bodurtha – Kindergarten Teacher | Lynn Hernandez – Principal*

This grant will support the purchase and implementation of six listening stations in the classroom during the literacy block. The listening stations will provide students with the opportunity to hear a variety of language-rich literature that will support the development of their oral language.

### **Greenleaf Elementary: Healthy Minds = Student Success (\$2,829)**

*Renee Arrowood – School Psychologist | Michelle deKam Palmieri – Principal*

Greenleaf will implement a program and tools to teach students relaxation and mindfulness techniques by purchasing Hoberman spheres, chimes and the 2nd Step curriculum. This program and tools are intended to help improve focus, learning readiness, behavior skills, physical health and emotional stability.

### **Scott Highland Middle School: Project Pizzazz - Enhancing Performing Arts (\$1,500)**

*\* EVCF Grant in conjunction with printer donation from Loffler.*

*Theresa Back – Communications Teacher | Kim Gernandt - Communications Teacher  
Daniel Wilharber – Principal*

Scott Highland will enhance the drama and journalism courses and provide students with more realistic performance and publication opportunities through the purchase of a various stage items; stage curtain, microphone and printer.

### **Eastview High School: Academic Coaching - Lunch Bunch (\$500)**

*Jodi Hanson – Administration | Dr Randall Peterson - Principal*

Eastview High school has established an academic coaching lunch bunch program. This grant will enable the purchase of incentives and school supplies in an effort to celebrate the achievement of student goals.

### **Eastview High School: Para IT support - Chromebooks (\$2,000)**

*Judy Hall – Paraprofessional | Dr Randall Peterson - Principal*

This grant will enable the purchase of Chromebooks for the Paraprofessionals. In support of the students served by the Paras, the Chromebooks will provide the needed mobility and timely access to critical information.
